

PARENTS AS PARTNERS

Dear Families,

This week we are working hard to prepare for Grandparents Day. The songs that we perform on Grandparents Day we will also perform for you at our Reading Celebrations.

Thank you to everyone who sent back the bus slips for the last day of school. In the past we have found that many parents like to attend the picnic and then take their children home and we expect the same thing may happen this year. We want to try to save the school money by not having three busses if we only need one to get the remaining students home. The following students we have down as needing a ride to and/or from school on the morning of the picnic on June 8th: Remi, Logan, Gracie and Allen (to school only), Rayven, Michael, Eli, Angel S., Angel T., and Alexis (to and from school). If your child needs a ride to or from school on that day and we do not have them down please let us know ASAP so we can pass that information on to the bus coordinator.

So far we only have two volunteers for Track and Field Day which will be on Tuesday, June 1st. We need as many adults as we can get for this day. Please let us know if you can help.

Please remember that we will be having bike safety on Wednesday, May 26th. We will need at least 3 bikes to share on that day. But the more we have the better we can practice.

Please remember that on the last day of school we will be attending in the morning so we can enjoy the facilities of Pentoga Park by ourselves for a few hours. And all parents are invited to attend the picnic with us and hopefully enjoy a morning of sunshine! Thank You!

Math Message

This week we are going to be talking about the different things we can measure and the measuring tools we use to do so. We are almost to the end of our math curriculum. I can't believe the year is coming to an end so quickly. I truly believe all of the students are prepared for first grade math!

The Reading Connection

I can hardly believe that today we are going to begin our last theme of the year. Where or where did the time go? We are beginning Theme #10 called "A World of Animals" and for the next few weeks our conversations and activities will center around pets and wild animals. In the alphabet, we will learn about recognizing and writing the letter "Jj" and words with short "u." Our new high frequency words are "are" and "the". Our vowel "u" words for the next three weeks will be dug, but, nut, jug, lug, rug, hug, and hut. As we begin our final "push" for the school year, please continue to read with your child. I know the weather is beautiful and the children need to play, play, play but please also squeeze in some time to read, read, read! Thanks! Ms. Susan

Grandparents Day is on Friday at 1:00 in the Elementary Gym!

IMPORTANT DATES TO REMEMBER

Friday, May 21st – Grandparents Day at 1:00

Wednesday, May 26th – Bicycle Safety

Tuesday, June 1st – K. Track and Field Day at 1:00

Wednesday, June 2nd – Reading Celebration for Mrs. Giuliani's Group
