Forest Park Faculty and Students:

Though I'am a resident of Beechwood and the Adjutant of the West Side Veterans Council, I was invited to the Forest Park Veteran's Day Program by the East Side Veterans Council. This year I Had the priviledge to attend the ceremony on Friday 11 November 2011. I would like to thank the Forest Park Students and Faculty for putting on a professional and well organized Veterans Day program.

I would especially like to thank the Forest Park Band and Band Director, for their performance in full attire. Also the students who made out the personallized Veterans Day cards for the veterans.

Enclosing I look forward to attending future Veterans Day programs at your school. You also Have my permission to post this letter for all your students and faculty to read.

Respectfully,

DON WOLF
