NOMINATION FOR THE FOREST PARK ACHIEVEMENT HALL OF FAME

General Criteria
Thank you for choosing to nominate someone for induction into the Forest Park Achievement Hall of Fame. We take all nominations seriously and will consider every nomination that comes to our attention.

*It is very important to provide as much information as to assist in the nomination (or later) induction of the nominee. Attach any additional information you would like.*

- No individual living inductee will be formally inducted without his or her approval.
- Any nominee who distinguishes himself/herself in any one of the categories will not be eligible until a minimum of 10 years after their class graduates or the accomplishment of the achievement(s).
- Each selected nominee will be notified as soon as possible following his or her selection.

Any contributor to our greater Forest Park School District before consolidation will also be eligible for nomination. This includes Alpha, Amasa and Crystal Falls.

Categories
The categories of Distinguished Alumni, Contributor, Administrator, Coach and Athlete are included in the nomination form for expediency in understanding the primary area in which an individual is to be considered for their achievements. The grouping is for screening purposes only and to assist those making the nominations in understanding the type of information required. Once nominees are
inducted, they are not categorized, but all are recognized as members of the Forest Park Achievement Hall of Fame.

More specific information on each category may be obtained on the Forest Park website at fptrojans.org and clicking on the Forest Park Achievement Hall of Fame information.

**Nominations**

All nominations must be submitted by May 1 of each year to be eligible for the Forest Park Achievement Hall of Fame induction, as outside input may be required. Selection for the following induction year should be completed no later than June 1 of the current year in order to notify inductees and prepare awards for a fall induction ceremony.

Nominations will be accepted from any interested person, including the selection committee, faculty, staff, administration, alumni and the general public. There are no restrictions on who may submit a nomination, but an individual must be nominated by someone other than himself or herself. This would include posthumous.

The burden of research for a nominee’s accomplishments shall be the responsibility of the person(s) submitting the nomination. Each application shall, at a minimum, include the following information:

1. Please give reasons you believe the committee should use in selecting your nominee. State your case as to why your nominee should be considered and provide adequate testimony to their character and contributions.

2. Nominations must include a biography of the candidate, i.e., history of the individual in either paragraph or outline forms and supporting data such as a limited number of newspaper clippings, magazine articles, records, scorebooks, yearbooks or copies of contributions of the nominee.

3. A letter of recommendation from the person making the nomination. Other letters of support from appropriate individuals who can validate or substantiate pertinent information related to the accomplishments of the nominee are optional.

4. A suitable 4x6 photograph for reproduction must be submitted.

5. The person making the nomination must include their contact information with the nomination form.
Awards

Each individual inducted will be honored by an appropriate display at the Forest Park High School. Each individual will receive an award commemorating his or her induction into the Forest Park Achievement Hall of Fame.
