

# 2010-11 Trojan Pride Contribution Program

The Forest Park Athletic Department is sponsoring the Trojan Pride Contribution Program in order for our students to continue to have the opportunity to participate in sports and extra-curricular activities as part of their educational experience at Forest Park. We are very proud of the rich academic and athletic tradition that has been established throughout the years at Forest Park and we are striving to see the tradition continue.

With school districts now struggling financially to keep their core curriculum programs intact, sports and extra-curricular programs are being reduced or eliminated. It has now become a sign of the times and the way of the future that we must look for alternative and supportive funding if we want to see that rich tradition and **Trojan Pride** continue. We have established a committee of coaches, administrators, staff, and other volunteers to come up with various fundraisers to help support these programs. Our goal for the 2010-11 school year is to raise a minimum of \$25,000.00. We are counting on all alumni, community members, neighbors and friends to support us in our efforts. Your support and generosity will be greatly appreciated.

**Remember that your contribution is tax deductible and confidential !**

**For your records: Amount \$ \_\_\_\_\_ Check No. \_\_\_\_\_ Date \_\_\_\_\_**

**Please tear here and return the bottom portion along with your contribution**
