

Mercedes and Cassandra Liscomb Scholarship Forest Park Foundation

The Mercedes and Cassandra Liscomb Scholarship is to be awarded to a Forest Park Graduating Senior seeking a bachelor's degree, or higher, at an accredited college or university in science, technology, engineering, and/or math (STEM) program(s).

The amount of the scholarship is \$1000.00 and paid directly to the chosen student's college account after verification of successful enrollment in their college or university in the qualifying field.

Application Requirements

1. Completion and submission of the Student Application Form.
2. Submit a one paragraph essay on why you are choosing to seek a degree in a STEM (Science, Technology, Engineering, Math) Career.
3. Submit your high school transcript.

Eligibility Requirements

1. Enrollment in a college or university in a qualifying STEM field.
2. Completion of the application requirements.

Steve and Vinnie Liscomb are the parents of Mercedes and Cassandra. They would like to give back to the Forest Park School District through a scholarship in honor of the excellent education both their daughters earned from Forest Park. Please submit application and essay to the following address by 5:00 p.m. on May 1, 2021:

Vinnie and Steve Liscomb
PO Box 37
Amasa, MI 49903
