

Vocational Career Scholarship

The Classic Farm Machinery Club of Iron County will award a \$500 scholarship to a high school senior seeking a career in the trades or service industry.

The scholarship is awarded annually and is alternated between:

- a) West Iron High School senior or a home schooled senior living in Iron River, Michigan,
- b) A Forest Park High School senior or a home schooled senior living in Crystal Falls, Michigan.

The chosen recipient will be awarded \$250 at the program start and the remaining \$250 at the program completion or at the end of the first semester with proof of passing grades or a certificate of completion.

Criteria:

- *High school senior living in Iron County,
- *2.0 grade point average (GPA) or above,
- *Must be pursuing a career in the trades or service industry,
- *Must be enrolled and accepted into a trade school, trade program, or college,
- *Farm background or 4H involvement a plus.

For information on this scholarship, please contact your local Iron County High School.
